THIS IS UNEVALUATED INFORMATION

1. In order to counteract the leftist Movimiento Independencia Revolucionario (MIR) group in Chile, a well organized extreme right wing terrorist organization has been established. It is actually responsible for many of the recent bombings that occurred in Santiago prior to President-elect Allende's confirmation as president of Chile. This group has also initiated many threats to kill Allende, and at least one known assassination plot was recently foiled by Allende's security personnel. [REDACTED] they apprehended one Arturo Marshall in a vantage point close to Allende's residence with a high-powered rifle.
2. In an attempt designed to enhance his personal safety, Allende recently moved into an unobtrusive one-story home surrounded by a high concrete wall [REDACTED]
